Sunshine Committee:

MJ and Ann visited Sheila Delahunty twice. She does not drive anymore but would come if she had a driver. Her daughter told MJ that going to church would not be a good idea. She has good days and bad days and is very frail.

MJ gave the ladies an update on Bill and Betty Morgan. They are doing well although Betty has dementia. She is going through her embroidery items and would like to see her things go to the church.

Sheila Monsour is in a facility in Red Springs. Mary Louise and Lynn go to visit her.

Anyone who needs a card, please let MJ know.
