

To all the Mothers, Grandmothers, Godmothers, Aunties, expectant Mothers & wonderful Women of St. Michael Church, a very blessed Mother's Day to all of you. We hope that you will enjoy a moment to reflect on days past shared with family & friends. We all look forward to the time when our self-quarantines & restrictions will ease & we can once again visit & worship together. During the days & weeks we have all been separated, it has sustained us in part to pray for each other. Let us continue our prayers & ask our Blessed Mother to assist us in carrying out our daily duties in the care of ourselves, our homes & our loved ones. We pray the following prayer for each of you & wish all of you a very Happy Mother's Day.

TO SPEND THE DAY WELL

My dear and sweet Mother Mary, keep me in your holy protection.
Guard my mind, my heart, and my senses that I be not stained by sin.

Sanctify my thoughts, desires, words and actions, that I may please
You and Your Jesus, my God, and gain paradise with you.

Jesus and Mary, give me Your most holy blessing. In the name
Of the Father, and of the Son, and of the Holy Spirit,
One God forever and ever.
Amen
